PROXY STATEMENT

GENERAL INFORMATION ABOUT PROXIES AND VOTING

The enclosed proxy is solicited by the Board of Directors of ProxyMed, Inc., a Florida corporation (the Company), for use at the Annual Meeting of Shareholders to be held on Thursday, May 29, 2003, at 9 o'clock a.m., Fort Lauderdale time, at the Company's corporate offices located at 2555 Davie Road, Suite 110B, Fort Lauderdale, Florida 33317. The approximate date on which this statement and the enclosed proxy was sent to shareholders is May 1, 2003. The form of proxy provides a space for you to record your vote for each proposal. You are urged to indicate your vote on each matter in the space provided; any item not voted upon by you will be voted by the persons named in the proxies at the meeting (i) **FOR** the election of 7 persons to the Board of Directors as set forth below; (ii) **FOR** the ratification and approval of PricewaterhouseCoopers as the Company's independent auditors for fiscal years 2002 and 2003, respectively; and (iii) in their discretion, upon such other business as may properly come before the meeting. Whether or not you plan to attend the meeting, please complete the proxy card, sign, date and return the proxy card to the transfer agent in the enclosed envelope, which requires no postage if mailed in the United States.

The cost of this proxy solicitation will be borne by the Company. Solicitations of proxies by mail may be supplemented by telephone, telegram, facsimile, personal or electronic solicitation by directors, officers or regular employees of the Company. No additional compensation will be paid to such persons for such activities.

Only shareholders of record at the close of business on April 1, 2003 (Record Date), are entitled to notice of and to vote at the Annual Meeting. At the Record Date for the meeting, the Company had issued 6,782,938 shares of common stock and had 13,333 voting shares of common stock represented by Series C 7% Convertible Preferred Stock. In the event that there are not sufficient votes for approval of any of the matters to be voted upon at the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies. The quorum necessary to conduct business at the Annual Meeting consists of a majority of the outstanding shares entitled to vote at the Annual Meeting. The approval of the proposals covered by this Proxy Statement will require an affirmative vote of the holders of a majority of the shares of common stock voting in person or by proxy at the Annual Meeting, with the exception of the election of directors, each of whom is elected by a plurality.

All shares of common stock that are represented at the Annual Meeting by properly executed proxies received prior to or at the Annual Meeting and not revoked will be voted at the Annual Meeting or any adjournment thereof as specified therein by the person giving the proxy in accordance with the instructions indicated in such proxies. If no instructions are indicated, such shares represented by proxy will be voted as recommended by the Board of Directors. Abstentions or broker non-votes are counted as shares present in the determination of whether shares of common stock represented at the meeting constitute a quorum. Abstentions and broker non-votes are tabulated separately. Since only a plurality is required for the election of directors, abstentions or broker non-votes will have no effect on the election of directors (except for purposes of determining whether a quorum is present at the Annual Meeting). As to other matters to be acted upon at the Annual Meeting, abstentions are treated as AGAINST votes, whereas broker non-votes are not counted for the purpose of determining whether the proposal has been approved.

A SHAREHOLDER WHO SUBMITS A PROXY ON THE ACCOMPANYING FORM HAS THE POWER TO REVOKE IT AT ANY TIME PRIOR TO ITS USE (I) BY DELIVERING A WRITTEN NOTICE TO THE SECRETARY OF THE COMPANY AT THE FORT LAUDERDALE ADDRESS STATED ABOVE; (II) BY COMPLETING, EXECUTING, DATING AND DELIVERING A LATER-DATED PROXY OR (III) BY ATTENDING THE MEETING AND VOTING IN PERSON. UNLESS YOU REVOKE YOUR PROXY PRIOR TO ITS USE IN ONE OF THE THREE FOREGOING WAYS, PROXIES WHICH ARE PROPERLY EXECUTED WILL BE VOTED FOR THE PURPOSES SET FORTH THEREON.

The Company's Restated Articles of Incorporation, as amended, provides for one class of directors and further provides that the total number of directors shall be determined by resolution adopted by the affirmative vote of a majority of the Board of Directors, except that the total number of directors may not be less than one nor more than eight, with each director holding office until the next annual meeting of shareholders and until his successor is duly elected and qualified, or until the earlier of such director's death or resignation. As of the date of this proxy statement, the Board of Directors has set the number of directors to serve on the Board at eight. Directors elected to fill vacancies hold office for a term expiring at the next Annual Meeting when the term expires. The Company currently has seven directors.

The following nominees may be elected by plurality vote. **The Board of Directors recommends a vote in favor of each nominee for election to the Board.**

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

On January 16, 2003 upon the recommendation of the Audit Committee, the Board of Directors appointed PWC, Fort Lauderdale, Florida, as independent accountants to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2002. The Audit Committee may recommend that the Board of Directors appoint PWC, Fort Lauderdale, Florida, as independent accountants to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2003. Inasmuch as it is not required under applicable laws or regulatory listing standards, in the past we have never sought ratification nor shareholder approval of the Company's independent auditors. However, in this day and age the Board of Directors believes that giving shareholders the opportunity to express their views on the subject is the best corporate governance practice. While not binding on the Audit Committee, the failure of the shareholders to ratify the appointment of PWC as our independent auditors would be considered by the Audit Committee in determining whether to continue the engagement of PWC. Representatives of PWC will be present at the Annual Meeting of Shareholders and will be afforded the opportunity to make a statement if they desire to do so and to respond to appropriate questions.

Fees Paid to Independent Accountants

The Securities and Exchange Commission's Final Rule on Auditor Independence requires that the Company make the following disclosures regarding the amount of fees billed by its independent auditors and the nature of the work for which these fees were billed:

Table of Contents

Aggregate fees and expenses incurred for PWC's audit of the Company's annual financial statements for the year ended December 31, 2002 and for its reviews of the financial statements included in the Company's Forms 10-Q for year ended December 31, 2002 totaled \$158,000. Of this amount, \$54,000 had been billed as of December 31, 2002. The balance of the fees was billed prior to the date of this Proxy Statement.

In addition, aggregate fees and expenses incurred for PWC's audit of MedUnite, Inc.'s annual financial statements for the year ended December 31, 2002 totaled \$73,000. Of this amount, none had been billed as of December 31, 2002; however, all amounts were billed prior to the date of this Proxy Statement.

Financial Information Systems Design and Implementation Fees

There were no fees billed for any financial information systems design and implementation services rendered by PWC for the year ended December 31, 2002.

All Other Fees

Aggregate fees for all other services provided by PWC for the year ended December 31, 2002 totaled \$12,000, all of which had been billed as of December 31, 2002.

In connection with due diligence for our acquisition of MedUnite, Inc., aggregate fees and expenses incurred with PWC were \$40,000. Of this amount, none was billed as of December 31, 2002; however, all amounts were billed prior to the date of this Proxy Statement and all were pre-approved by the Audit Committee or the Board of Directors as a whole.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF RATIFYING PRICEWATERHOUSECOOPERS AS THE COMPANY'S INDEPENDENT AUDITORS FOR FISCAL YEAR 2002 AND OF APPROVING THE APPOINTMENT OF PRICEWATERHOUSECOOPERS AS THE COMPANY'S AUDITORS FOR FISCAL YEAR 2003.

All properly executed proxies received prior to or at the Annual Meeting and not revoked will be voted in accordance with the instructions indicated therein. If no such instructions are indicated, shares represented by such proxy, will be voted in favor of ratifying PWC as the Company's independent auditors for fiscal year 2002 and of approving the appointment of PWC as the Company's independent auditors for fiscal year 2003.

**INFORMATION REGARDING THE COMPANY'S
BOARD OF DIRECTORS AND BOARD COMMITTEES**

Meetings During 2002 the Company's Board of Directors held fourteen (14) meetings. Each incumbent director attended more than 75% of the meetings of the Board of Directors for the fiscal year ended December 31, 2002.

The Board of Directors currently has the following standing committees: The Audit Committee and the Compensation Committee.

Report of the Audit Committee

The Audit Committee is composed of three (3) independent directors as defined in the listing standards promulgated by the National Association of Securities Dealers (NASD), as applicable and as may be modified or supplemented. The Audit Committee held five meetings during fiscal year 2002. The Company's Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached hereto as Appendix A (the Charter). The Audit Committee Charter is currently being revised and updated to bring it in full compliance with the various provisions of the Sarbanes-Oxley Act of 2002. The Audit Committee is responsible for reviewing and monitoring, in an oversight capacity, the financial reporting and auditing processes. All members of the Audit Committee share equally the responsibility for the performance of the foregoing functions as further explained below and in the Charter.

The Audit Committee provides assistance to the Board of Directors in fulfilling its obligations with respect to matters involving the accounting, auditing, financial reporting, and internal control functions of the Company. The Audit Committee discusses with the Company's independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with or without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. Only the Audit Committee can engage or terminate the engagement of the independent auditors.

In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements for fiscal 2002 in the Annual Report with the Company's independent auditors, with management and with the entire Board of Directors of the Company and discussed the quality of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee reviewed with the independent auditors, all matters required to be discussed by Statement of Auditing Standards 61 Communications with Audit Committees. In addition, the Audit Committee considered and discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and determined that the independent auditors' non-audit services to the Company were consistent and compatible with the Company's and the foregoing guidelines.

The foregoing notwithstanding, management is ultimately responsible for the Company's financial reporting processes, including the preparation of its financial statements in conformity with GAAP and its system of internal audit controls, and the Company's outside auditor is responsible for the auditing of those financial statements in accordance with GAAS and expressing its opinion as to whether the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in conformity with GAAP.

Table of Contents

Absent any evidence to the contrary, the Audit Committee has relied, without independent verification, on management's representations that the financial statements are complete, free of material misstatement and prepared in accordance with GAAP, and on the opinion and representations made by the auditor in its report on the Company's financial statements, including its representations that the auditor is independent and the audit was performed in accordance with GAAS. In reliance on the foregoing reviews, discussions and representations, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

This report by the Committee is not to be deemed filed under the Securities Act of 1933 or the Securities Exchange Act of 1934, both as amended, and is not to be incorporated by reference into any other filing of the Company under those statutes except to the extent that the Company may expressly refer to this report for incorporation by reference in a particular instance.

Compensation Committee

The Compensation Committee reviews and makes recommendations to the Board of Directors with respect to (i) employment arrangements between the Chief Executive Officer and the Company, including the compensation of the Chief Executive Officer; (ii) between the Company and its officers and employees, other than the Chief Executive Officer, who receive \$100,000 in total annual compensation; (iii) compensation plans which may be adopted by the Company, as well as administers the Company's various Stock Option Plans. Our Compensation Committee consists of three non-employee, independent directors: Michael S. Falk, Thomas E. Hodapp and Braden R. Kelly. The Compensation Committee held five meetings during fiscal year 2002.

COMPENSATION OF DIRECTORS

Our employee directors are not compensated for their services as directors. Non-employee directors are compensated with stock options for their services as directors as follows: Effective beginning May 22, 2002, each non-employee director will be granted 15,000 stock options upon his or her initial appointment or election to the Board of Directors by the shareholders with such grant vesting equally over the following three years. On each subsequent election by the shareholders, each non-employee director receives an additional 5,000 share stock option grant which vests immediately. Additionally, each non-employee director receives an annual 2,500 share stock option grant for each subcommittee membership. Such subcommittee grants vest in full after three years but may be accelerated to vest immediately on a pro rata basis (based on four projected subcommittee meetings per election year) as determined by the attendance of the director at each subcommittee meeting. For the 2002-2003 election year, options to purchase a total of 71,875 shares of common stock at exercise prices of \$12.54 to \$20.20 were granted pursuant to the above guidelines. Of this amount, 8,125 stock options were accelerated to vest by December 31, 2002. Additionally, all directors are reimbursed for reasonable expenses incurred in attending board meetings

On April 16, 2003, our six outside directors were each granted 10,000 stock options at an exercise price of \$7.28 per share. Such options are for a ten-year term and vest equally over the following three years.

Certain stock options for executive officers and directors were amended in 2000 and 2001 to allow for extensions of exercise periods (typically one to three years) after termination of employment. Additionally, in January 2002, the exercise period of certain vested options held by our three resigning directors were extended through December 31, 2003. In January 2002, our Board of Directors agreed to cancel a total of 37,767 stock options with exercise prices ranging from \$57.45 to \$202.50 previously issued to employees with the intent of reissuing the same number of options in the future at the then current market price. In September 2002, we issued 36,867 stock options at an exercise price of \$15.55 per share pursuant to these instructions, including 24,233 stock options to the named executives in the above table. In all cases noted here, the market price of our common stock was below the exercise price of the options at the time of amendment.

In January 2002, the Compensation Committee of our Board of Directors agreed to authorize bonuses for members of executive and senior management in the event of a change in control of our company. These bonuses would be based on the calculated per share value of the transaction, are payable in cash and/or stock, and are contingent upon certain conditions including obtaining a minimum per share value and being an active employee at the time of such event.

Employment Agreements with the Named Executive Officers

In July 2000, we entered into an employment agreement with Mr. Hoover. The agreement is for a three-year term and automatically extends from year to year thereafter unless terminated by us upon 90 days written notice or by the employee upon 30 days written notice prior to the end of the initial term or any extension. Mr. Hoover currently receives an annual base salary of \$225,000 (effective January 1, 2003) and is entitled to such bonuses as may be awarded from time to time and to participate in any stock option plans that we may now have or in the future develop. He may be terminated for cause as defined in his agreement. If terminated for cause, he will be entitled to base salary earned, and he will retain all vested stock options. If, upon 90 days prior written notice, he is terminated without cause, he will be entitled to receive an amount equal to his base salary plus bonus, if any, and continuation of health insurance for six months following termination, plus any unvested options shall vest. In addition, the agreement contains confidentiality and non-competition covenants.

In October 2000, we entered into an employment agreement with Ms. Ham. The agreement is for a three-year term and automatically extends from year to year thereafter unless terminated by us upon 90 days written notice or by the employee upon 30 days written notice prior to the end of the initial term or any extension. Ms. Ham currently receives an annual base salary of \$200,000 (effective January 1, 2003) and is entitled to such bonuses as may be awarded from time to time and to participate in any stock option plans that we may now have or in the future develop. Upon her promotion to president in October 2001, Ms. Ham was awarded a \$25,000 salary increase which she deferred until April 1, 2002. In lieu of this increase, she was granted 2,640 stock options at an exercise price of \$16.82 per share; these options vested on March 31, 2002. She may be terminated for cause as defined in her agreement. If terminated for cause, she will be entitled to base salary earned, and she will retain all vested stock options. If, upon 90 days prior written notice, she is terminated without cause, she will be entitled to receive an amount equal to her base salary plus bonus, if any, and continuation of health insurance for six months following termination, plus any unvested options shall vest. In addition, the agreement contains confidentiality and non-competition covenants.

In December 1995, we entered into an employment agreement with Mr. Guinan, which is automatically extended from year to year unless terminated by either party upon 60 days written notice. Mr. Guinan currently receives an annual base salary of \$185,000 (effective January 1, 2003) and is entitled to such bonuses as may be awarded from time to time by the Board of Directors and to participate in any stock option plans that we may now have or in the future develop. Mr. Guinan may be terminated for cause as defined in the agreement. If he is terminated for cause, he will be entitled to base salary earned, and he will retain all vested stock options. If he is terminated without cause, then he will be entitled to receive an amount equal to his base salary and bonus, if any, and continuation of health insurance for six months following termination, plus any unvested options shall vest. In addition, the agreement contains confidentiality and non-competition covenants.

In March 2001, we entered into an employment agreement with Mr. Hardin. The agreement is for a three-year term and automatically extends from year to year thereafter unless terminated by us upon 90 days written notice or by the employee upon 30 days written notice prior to the end of the initial term or any extension. Mr. Hardin currently receives an annual base salary of \$185,000 (effective January 1, 2003), and is entitled to such bonuses as may be awarded from time to time and to participate in any stock option plans that we may now have or in the future develop. If he is terminated without cause, he will be entitled to receive an amount equal to his base salary plus bonus, if any, and continuation of health insurance for six months following termination, plus any unvested options shall vest. In addition, the agreement contains confidentiality and non-competition covenants.

In December 1998, upon acquiring Key Communications, we entered into a three-year employment agreement with Mr. Hardy. Under this agreement, Mr. Hardy received an annual base salary of \$225,000 and was eligible to receive an annual bonus up to \$40,000 as may be awarded by the Board of Directors. In December 2001, we entered into a new employment agreement with Mr. Hardy. The agreement is for a three-year term and automatically extends from year to year thereafter unless terminated by us upon 90 days written notice or by the employee upon 30 days written notice prior to the end of the initial term or any extension. Under this new agreement, Mr. Hardy currently receives an annual base salary of \$185,000 (effective January 1, 2003) and is entitled to such bonuses as may be awarded from time to time and to participate in any stock option plans which we may now have or in the future develop. He may be terminated for cause as defined in his agreement. If terminated for cause, he will be entitled to base salary earned, and he will retain all vested stock options. If he is terminated without cause, he will be entitled to receive an amount equal to his base salary plus bonus, if any, and continuation of health insurance for six months following termination, plus any unvested options shall vest. In addition, the agreement contains confidentiality and non-competition covenants.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for administering, reviewing and approving compensation arrangements with respect to executive compensation which includes base salaries, annual incentives and long term stock option plans, as well as any executive benefits and/or perquisites. In addition, the Compensation Committee is responsible for any awards and administration of the Company's stock option plans and grant of options to newly-hired employees, and any future equity incentive plans.

In January 2002, our Board of Directors agreed to cancel a total of 37,767 stock options with exercise prices ranging from \$57.45 to \$202.50 previously issued to employees with the intent of reissuing the same number of options in the future at the then current market price. In September 2002, we issued 36,867 stock options at an exercise price of \$15.55 per share pursuant to these instructions, including 24,233 stock options to the named executives in the above table.

Also in January 2002, the Compensation Committee of our Board of Directors agreed to authorize bonuses for members of executive and senior management in the event of a change in control of our company. These bonuses would be based on the calculated per share value of the transaction, are payable in cash and/or stock, and are contingent upon certain conditions including obtaining a minimum per share value and being an active employee at the time of such event.

In June 2002, our Board of Directors authorized the issuance of stock options to employees and officers of the Company as part of a structured retention and reward plan. Initially in June 2002, 47,267 options were granted at an exercise price of \$17.36 per share. Included in these grants were a total of 25,000 options granted to our chairman/chief executive officer and president/chief operating officer. In September 2002, an additional 38,050 options were granted to other employees and officers at an exercise price of \$15.55 per share, including 14,100 stock options to our chief financial officer and one other senior executive. In general, these options are for a ten-year term and vest equally over a three-year period.

Also in June 2002, our Board of Directors authorized the issuance of stock options to our executive and senior management as part of their compensation plan for the 2002 year. As a result, 56,440 options were granted to the Company's chairman/chief executive officer and president/chief operating officer at an exercise price of \$17.36. In September 2002, 63,106 options were granted to the remaining executive and senior management at an exercise price of \$15.55 per share. All of these options are for a ten-year term, vest in full after five years and contain a clause that enables the accelerated vesting of a portion or all of the options if specific, pre-determined individual and company goals are met during the 2002 year. Of the 119,546 total options granted under the 2002 compensation plan discussed above, 80,194 options were accelerated to vest on December 31, 2002 and the remaining 39,352 options will vest in 2007.

Mr. Hoover has been Chairman of the Board and Chief Executive Officer of the Company since July 2000. During the fiscal year ended December 31, 2002, his annual base salary was \$150,000 pursuant to his employment with the Company. Effective January 1, 2003, his salary was increased to \$225,000. In December 2002, Mr. Hoover earned a \$15,000 cash bonus related to the consummation of the acquisition MedUnite which was paid in January 2003. Under the management compensation plan for 2002 noted above, Mr. Hoover was granted stock options to purchase 30,508 shares of our common stock at \$17.36 per share in June 2002. Of these options, 25,017 were accelerated to vest on December 31, 2002 and the remaining 5,491 options will vest in 2007. Additionally, in June 2002, Mr. Hoover also received an additional stock option grant to purchase 15,000 shares of our common stock also at \$17.36 per share pursuant to the structured retention and reward programs adopted by our Board of Directors also noted above. The Compensation Committee believes that while Mr. Hoover's annual base salary is in the low range paid to similarly situated executives at similar companies, his interests are directly aligned with our shareholders due to the fact that as of the date of this report, Mr. Hoover beneficially owns approximately 6% of the Company due to his own direct purchases of the Company's stock and his stock options.

The Compensation Committee's general philosophy with respect to the compensation of the Chief Executive Officer and other executive officers is to offer competitive compensation packages designed to attract and retain key executives critical to the success of the Company. In general, subjective factors rather than specific criteria of the Company's performance have been used in determining and approving executive compensation. The Compensation Committee intends to review the performance and compensation of the executive officers annually, in

Table of Contents

conjunction with performance of the Company. The Company's compensation programs include a base salary, annual bonus awards based on individual and Company performance, as well as the granting of stock options designed to provide long-term incentives and aligning the interest of management with those of the Company's shareholders.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the Company's Chief Executive Officer and the four (4) other most highly compensated executive officers, unless such compensation is performance based. For purposes of Section 162(m), the Company currently intends to structure any performance-based portion of the compensation of its executive officers that it might develop in a manner that complies with Section 162(m).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In April 1997, we made loans totaling \$350,000 to Mr. Blue, our former chairman of the board and chief executive officer. The funds were advanced pursuant to two demand promissory notes in the principal amounts of \$290,000 and \$60,000, respectively, each bearing interest at a rate of 7-3/4% per annum. On June 30, 2000, we amended the terms of these notes whereby interest on the notes ceased to accrue subsequent to July 1, 2000 and the loan plus accrued interest, totaling \$435,900 at June 30, 2000, would be payable in a balloon payment in December 2001. The loans were collateralized with options to purchase 36,667 shares of common stock granted to Mr. Blue under our stock option plans. As of December 31, 1999, these loans were included in other assets on the balance sheet; as of December 31, 2000, all amounts owed under these loans were reclassified to stockholders' equity.

In December 2001, a payment of \$250,000 was received from Mr. Blue and applied against the outstanding balance of the loans. We agreed to refinance the remaining \$185,983 balance and a new promissory note was executed by Mr. Blue. This new note requires monthly interest payments at prime rate plus 1%, established at the beginning of each calendar quarter, and is payable in a balloon payment on or before December 31, 2003. The note is collateralized with options to purchase 36,667 shares of common stock granted to Mr. Blue under the our stock option plans along with additional warrants granted to Mr. Blue from various other public companies. In January 2002, Mr. Blue resigned from the our Board of Directors and the remaining Board members agreed to extend the exercise period of the stock options held as collateral for the note in an effort to maximize the potential for repayment.

In March 2001, Mr. Guinan entered into an uncollateralized promissory note for \$45,400 for amounts previously borrowed from us. The promissory note calls for minimum bi-weekly payments of \$350 deducted directly from Mr. Guinan's payroll until the note is paid in full on or before February 2006. The note is non-interest bearing but interest is imputed annually based on the Internal Revenue Service Applicable Federal Rate at the time the note was originated (4.98%). Under terms of the promissory note, if Mr. Guinan is terminated without cause, the note is due in full after nine months from the date of termination as long as the scheduled bi-weekly payments continue to be made. As of December 31, 2002, the unpaid principal balance of the note is \$23,000.

OTHER INFORMATION

Liability and Indemnification of Our Directors and Officers

The Florida Business Corporation Act provides that directors of a corporation will not be personally liable for monetary damages for breach of their fiduciary duty as directors, except for liability (i) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (ii) for any unlawful payment of a dividend or unlawful stock repurchase or redemption, as provided in Section 607.0834 of the Florida Business Corporation Act, (iii) for any transaction from which the director derived an improper personal benefit, or (iv) for a violation of criminal law (the Exceptions). Our Restated Articles of Incorporation and Bylaws also provide that we shall indemnify our directors and officers to the fullest extent permitted by Section 607.0831 of the Florida Business Corporation Act, including circumstances in which indemnification is otherwise discretionary. We have procured and maintain insurance under which our directors and officers are insured, subject to the limits of the policy, against certain losses arising from claims made against such directors and officers. Subject to the Exceptions, we have entered into indemnification agreements with most of our directors and executive officers limiting their personal liability for monetary damages and reasonable attorney fees, except for personal liability that cannot be eliminated under the Florida Business Corporation Act.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities and Exchange Act of 1934 (the Exchange Act) requires our officers and directors, and persons who own more than 10% of the registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the SEC). Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Table of Contents

Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, we believe that during our fiscal year ended December 31, 2002, all filing requirements applicable to our officers and directors and greater than 10% beneficial owners were complied with, except that Messrs. Guinan, Hardin, Hardy and Schmid failed to timely file Form 4's relating to their cancellation of stock options in March 2002; Messrs. Hardin and Schmid failed to timely file a Form 4 regarding the granting of stock options in September 2002; Mr. Hardy failed to timely file a Form 4 relating to our Series C warrant exchange in 2001; and Messrs. Cooperman, Kelly and Terry failed to timely file Form 4's relating to their respective grants of stock options upon re-election to our Board of Directors in May 2002.
