PROXY STATEMENT

The enclosed proxy is being solicited on behalf of the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on Wednesday, June 9, 2004, and any adjournments thereof. This proxy statement, including the

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

Notice of Meeting and the Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2004, was first mailed to shareholders on May 10, 2004.

Only shareholders of record at the close of business on May 3, 2004, are entitled to notice of and to vote at the meeting or any adjournments thereof. The total number of outstanding shares entitled to vote at the meeting is 33,804,713. Each shareholder is entitled to one vote for each share held.

Without affecting any vote previously taken, the proxy may be revoked by the shareholder by giving a written notice of revocation to the Company in writing (attention: James A. McGrady, Secretary). A shareholder may also change his or her vote by executing and returning to the Company a later-dated proxy or by giving notice of revocation in open meeting.

All properly executed proxies received by the Board of Directors will be voted as directed by the shareholder. All properly executed proxies received by the Board of Directors which do not specify how shares should be voted will be voted "FOR" the election as directors of the nominees listed below under "Election of Directors."

The presence, in person or by proxy, of a majority of the outstanding common shares is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers who hold their customers' shares in street name sign and submit proxies for such shares and vote such shares on some matters, but not others. This would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters, which includes the election of directors.

Solicitation of proxies may be made by mail, personal interview and telephone by officers, directors and regular employees of the Company, and by the employees of the Company's transfer agent, National City Bank. In addition, the Company has retained a firm specializing in proxy solicitations, Georgeson Shareholder Communications, Inc., at a cost of approximately \$1,500 to assist the Company with its proxy solicitation process. The Company will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of shares.

Management has no reason to believe that any of the above-mentioned persons will not stand for election or serve as a director.

Under Ohio law and the Company's Regulations, the nominees receiving the greatest number of votes will be elected as directors. Shares as to which the authority to vote is withheld and broker non-votes are not counted toward the election of directors or toward the election of the individual nominees specified on the proxy.

OTHER DIRECTOR INFORMATION, COMMITTEES OF DIRECTORS AND CORPORATE GOVERNANCE INFORMATION

GENERAL

A total of four meetings of the Board of Directors of the Company were held during fiscal 2003. No director attended less than 75 percent of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which that director served during the period each served as a director.

There are no family relationships among our directors and executive officers except that Messrs. Deshe and Diamond are each married to a sister of Mr. Schottenstein.

Each of Messrs. Aaron, Sonnenberg and Weisman and Ms. Eveillard are paid an annual retainer of \$30,000 and receive \$20,000 annually for each committee on which they serve. Each of Messrs. Diamond and Weisman do not receive any compensation for serving as members of the Community Affairs Committee. In addition, Messrs. Aaron, Deshe and Diamond, Sonnenberg and Weisman and Ms. Eveillard receive a quarterly board meeting fee of \$5,000 so long as they attend at least one board meeting during that quarter.

The Company's Corporate Governance Principles provides that

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

all incumbent directors and director nominees are encouraged to attend the annual meeting of shareholders. A total of seven directors attended the annual meeting of shareholders in 2003.

Each of Messrs. Aaron, Sonnenberg and Weisman and Ms. Eveillard are automatically granted options each quarter to purchase 2,500 of our common shares under our 2000 Stock Incentive Plan. Options are granted on the first day of each fiscal quarter. Each option is granted for a period of ten years. Options become exercisable on the first anniversary of the date of grant.

CORPORATE GOVERNANCE PRINCIPLES

On March 18, 2004, the Board of Directors adopted Corporate Governance Principles that address Board structure, membership (including nominee qualifications), performance, operations and management oversight. The Company's corporate and investor website at www.valuecity.com contains the Corporate Governance Principles.

The Corporate Governance Principles provide that the Board's goal is that a majority of the directors should be independent directors. A director will be designated as independent if he or she (i) has no material relationship with the Company or its subsidiaries; (ii) satisfies the other criteria specified by New York Stock Exchange listing standards; (iii) has no business conflict with the Company or its subsidiaries; and (iv) otherwise meets applicable independence criteria specified by law, regulation, exchange requirement or the Board of Directors. The Board of Directors has affirmatively determined that the following directors are independent under that definition:

Henry L. Aaron
Elizabeth M. Eveillard
Harvey L. Sonnenberg
James L. Weisman

As of the date of this Proxy Statement, Schottenstein Stores Corporation owns approximately 57% of the common shares of the Company. As a result, the Company is a "controlled company" and is exempt from the New York Stock Exchange requirements requiring a majority of independent directors, a fully independent nominating committee and a fully independent compensation committee. Notwithstanding the availability of such an exemption, the Company has voluntarily chosen to comply with all such independence requirements. The Board of Directors has a Nominating and Corporate Governance Committee, a Compensation Committee and an Audit Committee, all of which are comprised solely of independent directors.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

Until December 10, 2003, the members of the Nominating and Corporate Governance Committee were Messrs. Schottenstein, Deshe and Weisman. On that date, the Board elected Messrs. Weisman (Chair), Aaron and Sonnenberg, and Ms. Eveillard, each of whom is independent as discussed above, as the members of the Nominating and Corporate Governance Committee. On March 18, 2004, the Committee recommended, and the Board of Directors approved, a Nominating and Corporate Governance

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

Committee Charter, which can be found on the Company's corporate and investor website at www.valuecity.com.

The Committee met one time during fiscal 2003. Its functions include assisting the Board in determining the desired qualifications of directors, identifying potential individuals meeting those qualification criteria, proposing to the Board a slate of nominees for election by the shareholders and reviewing candidates nominated by shareholders. In addition, the Committee also reviews the Corporate Governance Principles, makes recommendations to the Board with respect to other corporate governance principles applicable to the Company, oversees the annual evaluation of the Board and management, and reviews management and Board succession plans.

The Nominating and Corporate Governance Committee meets to discuss, among other things, identification and evaluation of potential candidates for nomination as a director. Potential candidates are identified and evaluated according to the qualification criteria set forth in the Board's Corporate Governance Principles, including independence, character, diversity, age, skills and experience of such individuals.

7

The Nominating and Corporate Governance Committee will consider nominees recommended by shareholders for the 2005 Annual Meeting of Shareholders, provided that the names of such nominees are submitted in writing, not later than January 9, 2005, to the Company (Attn: James L. Weisman). Each such submission must include: (a) as to the nominee, (i) name, age, business address and residence address; (ii) principal occupation or employment; (iii) the class and number of shares of the Company beneficially owned; and (iv) any other information relating to the nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended; and (b) as to the shareholder giving the notice, (i) name and record address and (ii) the class and number of shares of the Company beneficially. Such notice shall be accompanied by a consent signed by the nominee evidencing a willingness to serve as a director, if nominated and elected, and a commitment by the nominee to meet personally with the Nominating and Corporate Governance Committee members.

Other than the submission requirements set forth above, there are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates a nominee for director recommended by a shareholder.

COMPENSATION COMMITTEE

The members of the Compensation Committee are Ms. Eveillard (Chair) and Messrs. Aaron, Sonnenberg and Weisman. Each member of the Compensation Committee is independent as discussed above. None of the members of the Compensation Committee are present or former officers of our Company or are themselves or any of their affiliates, if any, parties to agreements with the Company.

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

Mr. Weisman became a member of the Compensation Committee on December 10, 2003 and, as a result, did not participate in the deliberations on compensation discussed in the Report of the Compensation Committee prior to December 10, 2003, which begins on page 17. Therefore, his name does not appear on that Report. Mr. Weisman did not receive any compensation for serving as a member of the Compensation Committee in fiscal 2003.

On March 18, 2004, the Committee recommended, and the Board of Directors approved, a Compensation Committee Charter, which can be found on the Company's corporate and investor website at www.valuecity.com.

The Compensation Committee met three times during fiscal 2003. The Compensation Committee's functions include evaluating the Chief Executive Officer's performance and, based upon these evaluations, setting the Chief Executive Officer's annual compensation; reviewing and approving the compensation packages of the Company's other executive officers; making recommendations to the Board with respect to the Company's incentive compensation, retirement and other benefit plans; making administrative and compensations decisions under such plans; and recommending to the Board the compensation for non-employee Board members.

AUDIT COMMITTEE

The members of the Audit Committee are Messrs. Sonnenberg (Chair) and Weisman and Ms. Eveillard. Each member of the Audit Committee is independent. The Board of Directors has affirmatively determined that each of them is independent in accordance with the listing standards of the New York Stock Exchange and that Harvey L. Sonnenberg is an audit committee financial expert as such term is defined by the Securities and Exchange Commission under Item 401(h) of Regulation S-K.

On March 18, 2004, the Committee recommended, and the Board of Directors approved, a revised Audit Committee Charter, which is attached as Annex A to this proxy statement.

The Audit Committee met nine times during fiscal 2003. Its functions include providing assistance to the Board of Directors in fulfilling its oversight responsibility relating to the Company's financial statements and the financial reporting process, compliance with legal and regulatory requirements, the qualifications and independence of the Company's independent public accountants, the Company's system of internal controls, the Internal Audit function, the Company's code of ethical conduct, retaining and, if appropriate, terminating the independent public accountants, and approving audit and non-audit services to be performed by the independent public accountants.

8

No member of the Audit Committee is currently serving on the audit committees of more than three public companies.

COMMUNITY AFFAIRS COMMITTEE

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

The Board of Directors formed the Community Affairs Committee in December 2003 to advise management on community affairs and public relations matters. The members of the Community Affairs Committee are Messrs. Aaron (Chair), Diamond and Weisman. The Community Affairs Committee did not meet during fiscal 2003. Mr. Aaron did not receive any compensation for serving on the Community Affairs Committee in fiscal 2003.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers and persons who are beneficial owners of more than ten percent of our common shares ("reporting persons") to file reports of ownership and changes of ownership with the Securities and Exchange Commission and the New York Stock Exchange. The Company assists its directors and executive officers in completing and filing those reports. AUDIT COMMITTEE REPORT

In performing its responsibilities, the Audit Committee, in addition to other activities, (i) reviewed and discussed the Company's audited financial statements with management; (ii) discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees), as modified or supplemented; and (iii) received the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as modified or supplemented, and discussed with Deloitte & Touche LLP the firm's independence. Based on these reviews, discussions and activities, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for fiscal 2003 for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

GENERAL

The Board has delegated to the Compensation Committee the authority to review and approve on an annual basis the corporate goals and objectives with respect to compensation for the executive officers of the Company, other than the Chairman's compensation, and to evaluate the executive officers' performance in light of these established goals and objectives. The committee has the sole authority to set the chief executive officer's annual compensation, including salary, bonus, incentive and equity compensation, and to approve the annual compensation, including salary, bonus, incentive and equity compensation, for the other executive officers.

COMPENSATION PHILOSOPHY

The Company's executive compensation program is based on two objectives:

- To provide market-competitive compensation opportunities, and
- To create a strong link among the interests of the shareholders, the Company's financial performance, and the total compensation of the Company's Executive Officers.

The key components of the Company's executive officer compensation program are short-term compensation, consisting of an annual base salary and annual bonuses under the Company's Incentive Compensation Plan, and long-term equity based compensation consisting of grants of restricted stock and stock option awards.

Base Salaries. Our policy is to pay executive officers at or somewhat above competitive compensation averages for comparable positions. Compensation levels for individual executive officers, however, may be more or less than competitive averages, depending upon a subjective assessment of individual factors such as the executive's position, experience, skills, achievements, tenure with Retail Ventures, Inc. and historical compensation levels. Generally, previously granted stock options and other equity awards are not considered in setting cash compensation levels.

Incentive Compensation. The Compensation Committee believes incentive compensation should be calculated to achieve a

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

combination of individual and company-wide objectives and performance goals that clearly link the interests of the executive officers with the financial performance of the Company.

The key component of the incentive compensation program is the Incentive Compensation Plan pursuant to which bonuses are paid based upon a predetermined formula of the Company's earnings before interest and taxes. The Compensation Committee administers this Plan. For fiscal year 2003, the predetermined earnings were not achieved and no bonuses were paid under the Plan.

The Committee believes that, from time-to-time, achieving objectives and goals other than earnings targets may also be in the best interests of the Company and its shareholders. During fiscal year 2004, management is undertaking a significant number of time-consuming projects that are not related to operations (such as implementing the Sarbanes-Oxley Section 404 controls, refinancing its revolving credit facility and pursuing other liquidity options) or are extraordinary in nature (such as the relocation and consolidation of the Company's offices and proposed technology upgrades). The Compensation Committee believes it is important that these endeavors be given substantial attention. Consequently, the Committee has authorized additional incentive payments to the Chief Executive Officer in an amount of up to \$400,000 and the other executive officers as a group of up to \$500,000, in the aggregate, during 2004.

Respectfully submitted,

COMPENSATION COMMITTEE

PERFORMANCE GRAPH

The following graph compares the performance of the Company with that of the Standard & Poor's General Merchandise Stores Index and the Russell 2000 Index, both of which are published indexes. This comparison includes the period beginning January 30, 1999 through January 31, 2004.

The Standard & Poor's General Merchandise Stores Index is published weekly in the Standard & Poor's Statistical Service and the index value preceding each fiscal year end has been selected for purposes of this comparison. The Russell 2000 Index is a capitalization-weighted index of domestic equity securities traded on the New York and American Stock Exchanges and the NASDAQ that measures the performance of the 2,000 smallest companies in the Russell 3000 Index. The common shares are traded on the NYSE.

The comparison of the cumulative total returns for each investment assumes \$100 was invested on January 30, 1999, and that all dividends were reinvested.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

REAL ESTATE LEASES AND SUBLEASES

The Company leases stores and warehouses under various arrangements with our majority shareholder, SSC, and its affiliates. Such leases expire through 2024 and in most cases provide for renewal options. Generally, the Company is required to pay real estate taxes, maintenance, insurance and contingent rentals based on sales in excess of specified levels.

Under a Master Lease Agreement, as amended, the Company leases five store locations owned by SSC. Additionally, the Company leases or subleases from SSC, or affiliates of SSC, 31 store locations, 6 warehouse facilities and a parcel of land. The minimum rent for these leaseholds is set forth below with additional contingent rents based on aggregate sales in excess of specified sales for the store locations. Leases and subleases with related parties are for initial periods generally ranging from five to twenty years, provide for renewal options and require the Company to pay real estate taxes, maintenance and insurance.

Each lease entered into with SSC or its affiliates is on terms at least as favorable to the Company as could be obtained in an arm's-length transaction with an unaffiliated third party, and in certain instances, the Company is given preferential terms. The Company has a policy that requires our audit committee to review and approve all affiliated leases prior to consummation.

During the last fiscal year, the Company paid approximately \$22.0 million in related party lease expense.

Future minimum lease payments required under the aforementioned leases, exclusive of real estate taxes, insurance and maintenance costs, at January 31, 2004 are as follows (in thousands):

FISCAL YEAR -----	MINIMUM PAYMENTS -----
2004	\$ 22,021
2005	22,247

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

2006	21,839
2007	21,054
2008	19,959
Future Years	131,433
Total	\$238,553

SSC operates a chain of furniture stores, five of which operate in separate space subleased from the Company. Three of these furniture store subleases (the "Furniture Subleases") are for a term concurrent with the respective lease between the Company and a third party landlord. These Furniture Subleases provide for the payment by SSC of base rent and other charges in amounts at least equal to its pro rata share based on square footage and its pro rata share of any percentage rent based on its gross sales. Two additional furniture store subleases are for periods shorter than our lease. For fiscal 2003, SSC paid to the Company an aggregate of \$1.4 million pursuant to these subleases.

LICENSE AGREEMENTS WITH AFFILIATES

In July 1997, the Company entered into agreements to form a 50/50 joint venture with Mazel Stores, Inc. to create VCM, Ltd. to operate the health and beauty care and toys and sporting goods departments in our Value City stores as licensed departments. Effective with the close of business on February 2, 2002, the Company acquired Mazel's 50% interest in VCM for \$8.4 million, and the Company now owns 100% of VCM.

MERCHANDISE TRANSACTIONS WITH AFFILIATES

The Company, from time to time, purchases merchandise from and sells merchandise to affiliates of SSC. Some of such affiliates of SSC manufacture, import and wholesale apparel as their principal business. The members of the Company's merchandising staff use these sources and make their purchasing decisions in the same manner as with unaffiliated sources. Any merchandise purchased from such sources is on terms at least as favorable to us as could be obtained in an arm's-length transaction with an unaffiliated third party, and in certain instances, the Company is given terms preferential to those available to unaffiliated customers. Total

19

purchases by us from SSC and affiliates for fiscal 2003 were approximately \$18.5 million of which approximately \$13.5 million were purchases from American Eagle Outfitters, Inc., an affiliate of SSC, representing 1.1% of our total purchases during the fiscal year, while in fiscal 2002 purchases were \$13.2 million of which approximately \$7.6 million were purchases from American Eagle Outfitters, Inc., representing 0.9% of our total purchases during the fiscal year.

SERVICES AGREEMENTS

The Company shares with SSC and its affiliates certain incidental support personnel and services for the purpose of achieving economies of scale and cost savings. These shared services include certain architectural, legal, advertising,

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

import and administrative services. The Company has entered into a Corporate Services Agreement with SSC that sets forth the terms for payment of the costs of these shared services. The Company believes that it is able to obtain such services at a cost, which is equal to or below the cost of providing such services internally or obtaining such services from unaffiliated third parties. For fiscal 2003, the Company paid SSC or its affiliates \$2.0 million for such services. The Corporate Services Agreement also provides for participation by the Company in the self-insurance program maintained by SSC. Under that program, the Company is self-insured for purposes of personal injury and property damage, motor vehicle and Ohio workers' compensation claims up to various specified amounts, and for casualty losses up to \$100,000. Claims and losses in excess of the specified amounts are covered by stop-loss or excess liability policies maintained by SSC, which include us as a named insured. SSC maintains reserves and pays claims for self-insured amounts under the program and will continue to do so with respect to our participation in the program. SSC charges its affiliates, divisions and our Company premiums based, among other factors, on loss experience and its actual payroll and related costs for administering the program. For fiscal 2003, the Company paid SSC \$1.1 million for participation in the program. Most of the services described above were terminated during fiscal 2003.

DEBT AGREEMENTS

On June 11, 2002, the Company entered into two separate credit facilities equally held by Cerberus Partners, L.P. and SSC, and amended and restated its \$75.0 million senior subordinated convertible loan, initially entered into on March 15, 2000, which is held equally by Cerberus Partners, L.P. and SSC. The Company recorded \$24.8 million in interest expense in cash to Cerberus relating to the two credit facilities in fiscal 2003 of which \$22.2 million was paid to Cerberus.

\$100 Million Term Loans

The Term Loans are comprised of a \$50.0 million Term Loan B and a \$50.0 million Term Loan C. All obligations under the Term Loans are senior debt and, subject to an Intercreditor Agreement by and among the parties, have the same rights and privileges as the Revolving Credit Facility and the Senior Subordinated Convertible Loan. The Company and its principal subsidiaries are obligated on the Term Loans. The maturity date is June 11, 2005.

The Term Loans' stated rate of interest per annum through June 11, 2004 is 14% if paid in cash and 15% if the Company elects a paid-in-kind ("PIK") option. During the first two years of the Term Loans, the Company may elect to pay all interest in PIK. During the final year of the Term Loans, the stated rate of interest is 15.0% if paid in cash or 15.5% by PIK, and the PIK option is limited to 50% of the interest due. For the fiscal years ended January 31, 2004 and February 1, 2003, the Company elected to pay interest in cash.

The Company issued 2,954,792 Warrants to purchase common shares at an initial exercise price of \$4.50 per share to the Term Loan C Lenders. The Warrants are exercisable at any time prior to June 11, 2012. The Company has granted the Term Loan

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

C Lenders registration rights with respect to the shares issuable upon exercise of the Warrants. The \$6.1 million value ascribed to the Warrants was estimated as of the date of issuance using the Black-Scholes pricing model with the following assumptions: risk-free interest rate of 5.6%; expected life of 10 years; expected volatility of 47%; illiquidity discount of 10%; and an expected dividend yield of 0%. The related debt discount is amortized into interest expense over the life of the debt.

The number of shares issuable varies upon the occurrence of the following: (i) the issuance of additional common shares without consideration or for a consideration per share less than the Warrant exercise price; (ii) the declaration of any dividend; (iii) the combination or consolidation of the outstanding common shares into a lesser number of shares; (iv) the issuance or sale of additional shares at a price per share less than the current

20

market price but greater than the Warrant exercise price; (v) the issuance of convertible securities which are convertible into common shares; and/or (vi) the exchange of shares in a merger or other business combination.

\$75 Million Senior Convertible Loan

The Company has amended and restated its \$75.0 million Senior Subordinated Convertible Loan on June 11, 2002 ("Convertible Loan"). As amended, borrowings under the Convertible Loan bear interest at 10% per annum. At the Company's option, interest may be PIK for the first two years, and thereafter, at the Company's option, up to 50% of the interest due may be PIK until maturity. PIK interest accrued with respect to the Convertible Loan is added to the outstanding principal balance, on a quarterly basis and is payable in cash upon the maturity of the debt. The Convertible Loan is guaranteed by all of our principal subsidiaries and is secured by a lien on assets junior to liens granted in favor of the lenders on the Revolving Credit Agreement and Term Loans. The Convertible Loan is not subject to prepayment until June 11, 2007. The agent has the right to designate two observers to the Company's Board for so long as the agent is the beneficial owner of at least 50% of the advances initially made by it and has the right to designate two individuals to our Board for so long as the agent is the beneficial owner of at least 50% of the conversion shares issued upon conversion of the advances initially made by it.

The Convertible Loan is convertible at the option of the holders into the Company's common shares at an initial conversion price of \$4.50. The maturity date is June 10, 2009.

ANNEX B

RETAIL VENTURES, INC. AUDIT COMMITTEE PRE-APPROVAL POLICY

This Policy identifies the Audit Committee's procedures and conditions for pre-approving audit, audit-related and non-audit services performed by a public accounting firm that acts as the independent auditor (the "Auditor") responsible for auditing the consolidated financial statements of Retail Ventures, Inc., an Ohio corporation (the "Company"), and its subsidiaries and affiliates.

I. STATEMENT OF PRINCIPLES

The purpose of this Policy is to set forth the procedures by which the Audit Committee intends to fulfill its responsibilities of ensuring the independence of the Auditor.

The Audit Committee will engage the Auditor for the audit of the Company's consolidated financial statements. Prior to the engagement of the Auditor for any audit or permissible non-audit service, the engagement must be (a) pre-approved pursuant to the pre-approval policies and procedures set forth herein or (b) specifically approved by the Audit Committee. The Audit Committee will not grant broad, categorical approvals for services to be provided; rather, to ensure that the Audit Committee knows precisely what services it is pre-approving, such services must be described in sufficient detail when presented to the Audit Committee for pre-approval.

The appendices to this Policy describe the services that have been pre-approved by the Audit Committee. The Audit Committee intends, as part of its pre-approval procedures, to include cost and time limitations for each audit or

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

non-audit service to be provided by the Auditor. Any proposed services exceeding the pre-approved cost or time limits established for such services in the appendices hereto will require specific approval by the Audit Committee.

The Audit Committee will periodically revise the list of pre-approved services reflected on the appendices hereto from time to time, based on subsequent determinations made by the Audit Committee. Additionally, the Audit Committee may amend this Policy from time to time in accordance with the Audit Committee's charter or the Company's Regulations.

The Auditor has reviewed this Policy and believes that implementation of the Policy will not adversely affect the Auditor's independence.

II. DELEGATION OF AUTHORITY

The Audit Committee may delegate pre-approval authority to one or more of its independent members and approval of such member or members within the parameters of this Policy shall constitute approval of the Audit Committee hereunder. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee will not delegate to management the Committee's responsibilities for pre-approving audit and non-audit services performed by the Auditor.

B-1

III. AUDIT SERVICES

The annual audit, review or attestation engagement terms and fees are subject to the specific pre-approval of the Audit Committee. The Audit Committee's approval is required for any necessary changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other matters.

The known or anticipated audit services pre-approved, or that will be pre-approved, by the Audit Committee are listed and will be listed in Appendix A, as amended from time to time. In addition to the annual audit, review or attestation services specifically approved by the Audit Committee, the Audit Committee may grant pre-approval for other known or anticipated audit services. All other audit services not listed in Appendix A must be separately pre-approved by the Audit Committee in accordance with this Policy.

IV. AUDIT-RELATED SERVICES

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and that are traditionally performed by the Auditor in connection therewith. The Audit Committee believes that the provision of the audit-related services does not impair the independence of the Auditor. The known or anticipated audit-related services pre-approved, or that will be pre-approved, by the Audit Committee are listed and will be listed in Appendix B, as amended from time to time. All other audit-related services not listed in Appendix B must be separately pre-approved by the Audit Committee in accordance with this Policy.

V. TAX SERVICES

The Audit Committee believes that the Auditor can provide tax services to the Company such as tax compliance, tax planning and tax advice without impairing the Auditor's independence. However, the Audit Committee will not permit the retention of the Auditor in connection with a transaction initially

Edgar Filing: RETAIL VENTURES INC - Form DEF 14A

recommended by the Auditor, the purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations or similar regulations of other applicable jurisdictions. The known or anticipated tax services pre-approved, or that will be pre-approved, by the Audit Committee are listed and will be listed in Appendix C, as amended from time to time. All other tax services not listed in Appendix C or tax services involving large and complex transactions must be separately pre-approved by the Audit Committee in accordance with this Policy.

VI. ALL OTHER SERVICES

The Audit Committee may pre-approve those permissible non-audit services classified as "All Other Services" that it believes would not impair the independence of the Auditor. The known or anticipated other non-audit services pre-approved, or that will be pre-approved, by the Audit Committee are listed and will be listed in Appendix D, as amended from time to time. All other permissible non-audit services not listed in Appendix D must be separately pre-approved by the Audit Committee in accordance with this Policy.

A list of the non-audit services prohibited by the Securities and Exchange Commission is attached to this Policy as Exhibit 1. Such exhibit may be amended from time to time to add any other service prohibited by applicable law, regulation, rule or accounting or auditing standard.

VII. WAIVER OF PRE-APPROVAL FOR NON-AUDIT SERVICES

Specific pre-approval is not required for services not listed in Appendix D, provided that such non-audit services (a) do not aggregate to more than 5 percent of total revenues paid by the Company to the Auditor in the fiscal year in which the services are provided, (b) were not recognized as non-audit services at the time of the engagement and (c) are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee (or its designated representative, if any, as authorized pursuant to Section II of this Policy).

VIII. PRE-APPROVED FEE LEVELS

Pre-approved fee levels for all services to be provided by the Auditor will be established periodically by the Audit Committee. Any proposed services exceeding these levels will require specific pre-approval by the Audit Committee. Each year the Auditor will provide the Audit Committee with a report of the known or anticipated audit, audit-related, tax and other non-audit services together with an estimate of the fees for such services. The Audit Committee will review the fees and scope of such services so as to avoid any question as to the compatibility of such services with the Auditor's independence. Each quarter the Auditor will provide the Audit Committee with a report of the audit, audit-related, tax and other non-audit services provided

B-2

together with the actual fees incurred. Any changes to the estimate of services to be provided and fees attributable to such services will be discussed quarterly, and if necessary, revised.

IX. SUPPORTING DOCUMENTATION
