Item 5. Other Events and Regulation FD Disclosure

On May 24, 2004, Wild Oats Markets, Inc. (the "Company") issued a press release announcing that it intends to sell, subject to market and other conditions, convertible senior debentures in a transaction exempt from the registration requirements of the Securities Act of 1933 (the "Offering"). The press release is attached hereto as Exhibit 99.1.

In connection with the Offering, on May 21, 2004, an amendment to the Company's existing credit facility was signed. The amended agreement expressly authorizes the borrowing to be made by the issuance of the convertible senior debentures in the Offering and, upon completion of the Offering will give the Company greater flexibility to pursue its growth strategy for the future. The amendment also approves the scope of potential changes to the employment agreement of Perry D. Odak, our Chief Executive Officer, which changes have been the subject of ongoing discussions. The Company's board of directors has been reviewing certain proposed changes to the supplemental bonus program under Mr. Odak's employment agreement, including a modification of the triggers for such

On May 20, 2004, the Company filed with the Secretary of State of the State of Delaware an Amended Certificate of Designations relating to the Company's Series A Junior Participating Preferred Stock. The Amended Certificate of Designations increases the number of authorized shares of such series from 20,000 to 50,000. The Amended Certificate of Designations is attached hereto as Exhibit 3.1.
